## Sing, Play, Learn! with MacPhail Center for Music

Join MacPhail Center for Music’s early childhood music specialists as we explore the magic of music and play. Through hands-on musical play activities families will experience music’s impact on learning and reading readiness. Together we will sing, rhyme, read, move and create! Suitable for children birth to age 5.

Programs are funded with money from the Minnesota’s Arts and Cultural Heritage Fund.
